AGENDA REPORT

May 18, 2022

Item No. 1

TO: Ad Hoc DUC Committee

FROM: Jeren Seibel, Deputy Executive Officer

SUBJECT: **Approval of Resolution 22-11 Allowing for Video and Teleconference Meetings during COVID-19 State of Emergency Under AB 361**

Background and Discussion

AB 361 was passed by the State Legislature and signed by Governor Newsom. It went into effect immediately. AB 361 continues many of the provisions related to the Brown Act that were in place under Executive Orders, which expired September 30, 2021, that allowed for video and teleconferencing during the state of emergency. Since AB 361 has been signed into law, the Commission can continue to meet virtually until such time as the Governor declares the State of Emergency due to COVID-19 over and measures to promote social distancing are no longer recommended or could return to in-person meetings sooner if desired.

On September 22, 2021, the Marin County Director of Health & Human Services recommended social distancing to enhance safety at public meetings. On October 19, 2021, Marin County's Director of Health & Human Services reaffirmed this recommendation. See attachment 2.

The proposed resolution provides the Committee with the option to continue to hold video and teleconference meetings while the state of emergency is still in effect and social distancing is recommended.

In order to continue to hold video and teleconference meetings, the Budget and Workplan Committee will need to review and make findings every thirty days or thereafter that the state of emergency continues to directly impact the ability of the members to meet safely in person and that state or local officials continue to impose or recommend measures to promote social distancing.

Recommendation

1. Approve Resolution 22-11 allowing for video and teleconference meetings during the COVID-19 state of emergency under AB 361.

AGENDA REPORT
May 18, 2022
Item No. 2 (Business)

TO: Disadvantaged Unincorporated Community Committee

FROM: Jeren Seibel, Deputy Executive Officer

SUBJECT: Use of Updated Census Data in Designating and Interacting With Disadvantaged Unincorporated Communities

Background

In July of 2019, Marin LAFCo's ad hoc Disadvantaged Unincorporated Communities (DUC) Committee convened for the final time and approved staff's recommendation to bring a DUC policy to the full Commission for adoption. The policy, which the full Commission approved at the August 2019 meeting, reads as follows:

As set forth in SB 244, Marin LAFCo will include considerations of disadvantaged unincorporated communities within a city or district SOI in statements of written determinations of municipal service reviews. Marin LAFCo will prohibit the approval of city annexations greater than 10 acres that are contiguous to a disadvantaged unincorporated community unless the city applies to annex the disadvantaged unincorporated community as well.

The Committee at that time also agreed that Marin LAFCo's stance on DUCs as a whole should be revisited when 2020 U.S. Census data was available. At this time, the 2020 Census Redistricting Data has been made publicly available and CALAFCO, by way of a contract with a consultant, has created a mapping tool showing each of the DUCs throughout the state. The tool shows, and staff has independently confirmed, that there are two DUCs in Marin County: block group 1 within Marin County Census Tract 1290 in the area of Marin City, and block group 1 within Marin County Census Tract 1121 in the area of California Park.

This Committee has been formed by the Commission in order to formulate recommendations for next steps for Marin LAFCo in its dealings with the identified DUCs in Marin County. Staff recommends the Committee consider the following during its discussions and deliberation:

- Official letter from Marin LAFCo to the cities and districts whose spheres of influence are surrounding or contiguous to the identified DUCs (as well as to the districts whose jurisdictional boundaries encompass DUCs) informing them of the block groups' DUC status and an explanation of how that impacts the agency.
- With Marin County currently in the process of updating the Marin County Housing Element, an official request from Marin LAFCo for mention of the identified DUCs as there was no mention of them in the current Housing Element.
- Added considerations and notation of the DUCs in future municipal service reviews when an agency being reviewed has a sphere of influence that either surrounds or is contiguous to the DUC.
